

Vendors have emailed questions in for clarification on the Benefits Consultant Services RFP. We are making the responses available for all bidders below.

Please provide total number of employees

We have 167 budgeted full-time positions.

Number of years with current providers?

We have been with the current provider for 5 ½ years.

What is the reason for contemplating a change from your current consultant?

Currently looking for other available service providers that will fulfill our needs.

I noticed the term is 1 year, is there an option for additional years or do you contemplate the change of broker annually?

We are not contemplating changing brokers annually.

Please provide the name of the current brokerage used by the City.

The current broker is Financial Benefit Services (FBS).
