

NOTICE TO BIDDERS

Sealed bids will be received by the City of Stephenville, at City Hall, 298 W Washington Street, Stephenville, TX 76401 until 2:00 pm, Thursday, August 12, 2021, at which time bids duly delivered and submitted will be considered for:

ANNUAL CONTRACT FOR POLICE UNIFORMS

Bids should be addressed to Tricia Wortley, Purchasing Manager, 298 W. Washington, Stephenville, TX 76401.

Any bid received after stated closing time will be returned unopened. If bids are sent by mail to the City, the bidder shall be responsible for actual delivery of the bid to the City Secretary before the advertised date and hour for opening of bids. If mail is delayed either in the postal service or in the internal mail system of the City of Stephenville beyond the date and hour set for the bid opening, bids thus delayed will not be considered and will be returned unopened.

Until the final award by the City of Stephenville, said City reserves the right to reject any and/or all bids, to waive technicalities, to re-advertise, to proceed otherwise when the best interest of the City will be realized hereby. Bid award is not solely based on price alone.

All bids must be submitted on original bid forms. Any changes to the form or failure to label packaging on the bid, may disqualify it. All packaging on bids (including courier envelope) will be submitted sealed and plainly marked with:

**NAME AND ADDRESS OF BIDDER
POLICE DEPT UNIFORM BID
BID NUMBER 3297**

It is not the intent of the City of Stephenville to offer proprietary specifications, or to eliminate any vendor from bidding by the use of brand names. If brand names are used it is for example only and understood the "or equal" will be accepted.

Bids shall be held firm for a period of 60 days unless otherwise stated in the bid specifications, instructions to bidders, or on the bid sheet.

**PLEASE NOTE THAT MOST COURIER SERVICES DO NOT OFFER BEFORE
10:30 AM SERVICE TO STEPHENVILLE**

ITB 3297

STANDARD INSTRUCTIONS TO BIDDERS

Bids that contain any omission, erasures, or alterations, or additions of items not called for in the bid documents, or irregularities of any kind, may or may not be considered.

Deviations from specifications and alternate bids must be clearly shown on the bid form with complete information attached to form. They may or may not be considered.

Upon bidders submitting bids they shall not withdraw or cancel such bids and all sums deposited with such bids will be held by the City of Stephenville until all bids submitted shall have been canvassed and award of contract made, signed and if a performance bonds is required furnished and approved. All sums deposited with bids will then be returned to the respective bidders.

The City of Stephenville, Texas is exempt from State of Texas Sales Tax and a Tax Exemption Certificate shall be furnished by the City of Stephenville, Texas to the successful bidder upon request.

No employee of the City of Stephenville shall have financial interest, direct or indirect, in any contract with the City, or be financially interested, directly or indirectly, in the sale to the City of any land, material, supplies or services.

Discounts: Show rate, total amount, and latest day any discount will be allowed after receipt of article and correct invoice.

This contract is subject to cancellation upon thirty day written notice by the City of Stephenville without cause.

Liquidated Damages: In the event delivery is not made within the stated time period, (without acceptable reasons for delay and written consent from the City) the City reserves the right to place the order with the next available vendor and the awardee shall be liable for any increase in price as liquidated damages, it being agreed that said

sum is a fair and reasonable estimate of actual damages the City will incur. Bidder will not be held liable for failure to make delivery because of strikes; conscription's of property, governmental regulations, acts of God, or any other causes beyond his control; provided an extension of time is obtained from the Division of Purchasing.

Exceptions: Any catalog or manufacturer's reference in this proposal is descriptive, but not restrictive, and is used only to indicate type and grade. Bids on other items of similar and equal quality will be considered, provided the bidder states on the face of this proposal exactly what he intends to furnish, including any variation to the specifications and literature, otherwise he shall be required to furnish the items as specified on the proposal. Any other exceptions to any portions of these terms and conditions or deviations from written specifications shall be shown in writing on the bid document form or attached to bid form.

Quantities: Quantities shown are estimated, based on projected use. It is specifically understood and agreed that these quantities are approximate and any additional quantities will be paid for at the quoted price. It is further understood that the supplier shall not have any claim against the City of Stephenville for quantities less than the estimated amount.

Prices: The bidder should show in the bid document both the unit price and total amount, where required, of each item listed. In the event of error or discrepancy in the mathematics, the unit price shall prevail.

Delivery Date: Bidders shall state delivery date on all order.

F.O.B Point: All prices of item(s) shall be quoted FOB City of Stephenville destination.

The City of Stephenville reserves the right to award this bid in whole or in part.

STANDARD INSTRUCTIONS TO BIDDERS

It is desirable that bids are accompanied by two sets of specifications to support items bid. The City of Stephenville reserves the right to determine specification requirements on all items bid.

Eligible Bidder: Bidders are limited to those persons or firms qualified and engaged in a full time business and can assume liabilities for any performance or warranty service required.

Nonresident-Reciprocal Bid Act: You are advised the City of Stephenville, Texas is bound by House Bill 620. The law provides that in order to be awarded a contract as low bidder, non-resident bidders (out-of-state contractors whose corporate office or principal place of business is outside the State of Texas) bid projects in Texas at an amount lower than the lowest Texas resident bidder by the same amount that a Texas resident bidder would be required to underbid a non-resident bidder in order to obtain a comparable contract in the state in which the non-resident's principal place of business is located. After making that determination you are instructed to advise the Purchasing Department in writing of that fact with a copy of the applicable state statute.

Based on local government code 252.043, the contract will be awarded to the lowest responsible bidder **OR** to the bidder who provides goods or services at the best value for the municipality. Therefore price is not the only consideration in the bid award.

By signing this bid, Vendor hereby certifies that it is not a company identified on the Texas Comptroller's list of companies known to have contracts with, or provide supplies or services to, a foreign organization designated as a Foreign Terrorist Organization by the U.S. Secretary of State. Vendor further certifies and verifies that neither Vendor, nor any affiliate, subsidiary, or parent company of Vendor, if any (the "Vendor Companies"), boycotts Israel, and Vendor agrees that the Vendor and Vendor Companies will not boycott Israel during the term of this Agreement. For purposes of this Agreement, the term "boycott" shall mean and include terminating business activities or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with Israel, or with a person or entity doing business in Israel or in an Israeli controlled territory.

Please be advised that Stephenville does not receive courier services before 10:30 a.m.

15.Ballistic Panels

Design

The soft body armor shall be designed to provide:

1. Light and thin NIJ certified armor in Level II.

Stephenville Police Department Uniform Specs

2. A high degree of concealment and comfort.
3. Minimum restriction of motion or mobility.
4. Durable
5. Ease of Cleaning
6. No sharp corners or straight edges shall be allowed.
7. Provide resistance against the labeled projectiles in accordance with the NIJ Standard 0101.06. (See Labeling Below for Details).
8. All materials shall be new, unused and without flaws that affect appearance, durability and function.
9. The ballistic panels shall be constructed of a matrix of Woven Aramid and UD Polyethylene. No other ballistic material shall be used.
10. The material layer count must be uniform throughout the ballistic panel.
11. A vest section of 12" x 12" (one square foot), must not exceed .63 pounds (+/- 5%) per square foot and the thickness shall not exceed .18 inches for NIJ level II. Sample weights are (+/- 5%).
12. The front ballistic panel shall cover the chest approximately up to the collar bone, have a scooped neck sufficient to maintain conceal ability when wearing an open collar shirt, extend downward to the waist but not far enough to "push up into the throat" when the wearer is seated, and extend around the sides to provide side protection.
13. The biceps/chest region shall be cut with sufficient space to minimize irritation and restriction of arm movement during common duties such as the operation of motor vehicles.
14. The rear ballistic panel shall cover the back of the torso from just above the shoulder blades down to a position above the waist belt. In addition, unless otherwise stated, the maximum gap at each side shall be two inches.
15. Female models shall be designed specifically for the female torso and shall have allowances for bust configuration.

Ballistic Panel Performance

1. The ballistic panels shall be NIJ Standard 0101.06 Level II.

Labeling

Label material shall withstand normal wear and cleaning and remain readable during the entire warranted life of the armor or carrier.

All soft body armor shall be labeled in strict adherence to the labeling requirement set forth in NIJ Standard 0101.06 /NIJ 2005 Interim Requirements. The ballistic panel labeling shall include, but not be limited to the following:

1. Name of Manufacture
2. Level of Protection
3. NIJ 0101.06
4. Date of Manufacture
5. Date of Issue
6. Size
7. Serial Number
8. Model of Vest
9. Manufacture location
10. Care Instructions
11. Warranty Period

Stephenville Police Department Uniform Specs

Special Considerations

The Department will not accept any body armor which has been taken from existing inventory. All body armor shall be ordered directly from the manufacturer after providing them with proper fitting instructions. The intent of this stipulation is to prevent the department from receiving body armor which has been sitting in storage or shelving for unknown extended periods of time. Only custom ordered body armor, dropped shipped directly from the manufacturer will be accepted, no exceptions.

16. Concealable Vest Carrier

General Design

1. The vest carrier shall be designed to contain ballistic panels as described in this Spec Sheet and be the equivalent to the Point Blank "Elite" vest carrier.
2. The vest carrier shall come in both male and female styles.
3. Vest carrier color shall be Dark Navy or Black.
4. The vest carrier shall come with electro-shock weapon protection.
5. The vest carrier shall be machine washable.
6. Additional vest carrier required.
7. The general configuration shall be the slipover vest type that covers the majority of the upper torso, including side coverage.
8. The vest carrier shall have removable/replaceable elastic shoulder straps and waist straps with hook and pile fasteners to provide proper positioning and comfort.
9. The vest carrier shall have a removable elastic cummerbund to help secure fit.
10. There shall be no zippers or hook & loop closures against the body.
11. The outer shell carriers shall include front and rear 5" x 8" / 8" x 10" combination plate pockets designed to accommodate trauma, ballistic or blade inserts.
12. The vest carrier shall be equipped with a self-suspending support system that provides direct support to the ballistic panels to keep them sagging and creasing at the bottom of the carrier.
13. Easy access ballistic panel removal with external zipper on outer lower torso.
14. Narrow front tail design for a secure, less bulky fit

17. Insert for Vest Carrier

1. Designed to be worn in the chest pocket of vests.
2. Point Blank "Speed Plate" or equivalent.
3. Lightweight armor protection against Winchester 12ga 1oz slug.
